**Clothing to Cash (Lihua)**

Key updates since last report: CHS PTSA collected 680lbs of clothing and shoes in April. A check totaling \$68 has been issued and is scheduled to arrive via USPS on or before 5/10/2022.

**Scholarship Committee (Rashmi)**

New Report – I am one of the newly appointed volunteer judges helping Susan Su, Chair of the CHS Scholarship Committee. May, 3rd, 2022 was the last day for the CHS seniors to apply for scholarships. We are evaluating the applications and will soon be determining winners. There are only seven that applied for these scholarships. Why aren't the students motivated? The scholarship amount isn't substantial. Can there be an increase to the Scholarship amount next year? How can PTSA advertise it to the student community?
